Good morning, Emily. I am reaching out to you regarding the tour your wonderful students had with us last month. I hope they enjoyed it as much as we enjoyed hosting them.

To fulfill our EEO requirements, I need a confirmation email from you stating that you did come for the tour, how many students attended and a short comment about the tour and what was accomplished. This will be put in our records for next year's EEO report.

Thanks so much for your help.

## **WORKlahoma Follow Up / Thank You**

**evan@wro-yukon.com**

Susan Leatherwood

Hello,

I hope you are doing well today. I wanted to reach out today to share our gratitude for you taking part in our **WORKlahoma Job Fair event**. WORKlahoma was a success, and it is because of you and your commitment to serve this community. We had **273 job seekers** come through the event who were able to connect with and apply for positions with many of your organizations.

WORKlahoma occurs at least twice per year and even though we just wrapped up this event we are already looking forward to the next, which we anticipate will be in Spring 2026; we would appreciate your consideration to take part again. *In addition to our traditional job fair, if your company is interested in Work Ready Yukon co-hosting or sponsoring your next hiring event, please let us know.*

Several of our vendors filled out the exit survey that was on the welcome packet, and to you I want to say thank you for your overwhelming support and positive feedback. If you have yet to fill out that survey, please click the link provided below to give us your feedback so we can continue to grow in and refine our WORKlahoma events.

**Survey Link** - <https://link.apisystem.tech/widget/survey/8znewqPWalz7w1shr23V>

We are always looking to expand partnerships for our monthly workshops. If you are not already a partner and are interested, this simply means that we have an ongoing relationship and dialogue to help you fill any vacancy or open position that you are hiring for. If so, we would then keep you in mind for participants who come through our workshop that we feel would fit that role for you. We do not ask you to guarantee jobs or interviews, only the chance for the participant to apply and potentially interview if you also believe they will be a great fit. We encourage you to reach out to us when you are filling positions as we have a wide range of individuals we work with.

Words cannot express how thankful we are for you and your contribution to this event. We invite you to continue to partner with us as we seek to better serve those in our community.
